

Case study

Spotlight on Spotless

Spotless Facility Management Services - Defence Force, Manawatu and Southern Region

5 Year Partnership

Carpet Court has worked with Spotless Services for the past 5 years and have completed a variety of unique and challenging projects, including:

- Refurbishment of the Linton Recreational Pool - re tiling of existing pools and rubber flooring for all flooring areas
- New Linton Sports Centre - Installation of vinyl and carpet tiles
- Elliot Barrackes - removal of old floor and replacement
- Flooring solutions for 80 houses in a housing project across all three sites

Flooring projects come in all shapes and sizes, basic or bold - Carpet Court Commercial are flooring project specialists.

"Carpet Court are proactive and provide us a very good overall service that makes life much easier".
Mike Gorden, Spotless Project Manager.

"We enjoy working with the local Carpet Court team and would happily recommend to others"

Confidence with Health and Safety

A key criteria is adherence to stringent health and safety requirements.

Spotless Services have strict health and safety protocols and having confidence the job can be done safely, to their work health and safety requirements, is essential.

Carpet Court manage the safety of employees, contractors and customers with a proactive rather than reactive attitude.

The Carpet Court teams complete site inductions, are site safe and police vetted.

On Time Delivery

Spotless Services have KPI's that require work to be completed to a timely and efficient standard.

Carpet Court understands Spotless Services operations and works with them to provide a 48 hour quote turn around.

"Carpet Court are always willing to go the extra mile to inspect, price and install to meet tight deadlines at the drop of a hat"
