

The background of the image is a misty, atmospheric photograph of a forest filled with tall evergreen trees. A thick diagonal black line runs from the top-left corner towards the bottom-right, creating a sharp contrast with the lighter, hazy forest scene. The text is centered over this diagonal line.

NATURAL STYLE, PREMIUM PERFORMANCE

Home is where you can be your truest self. Where you walk around barefoot after a long day. The place you watch your kids grow up in, spilling ice cream along the way. Where your dog follows you around, leaving trails of fun-filled outdoor walks.

**Your home expresses who you are. It's authentic. To the core.
Just like our Authentics Collection.**

Mirroring genuine wood these new designs are as real as it gets. Unparalleled 3-dimensional structure. Exceptionally natural appearance. Undeniable durability. Designed for real homes and real people.
