

10-YEAR WARRANTY

NYLON COMMERCIAL WARRANTY

Standard Carpets gives a warranty of 10 years to all its Nylon Tile Carpets which are commercially installed indoors. All Standard Carpets products are warranted against:

WEAR

Nylon Tile Carpets will not wear more than 20% of their surface pile weight from abrasive wear. "Abrasive wear" means fiber loss from the carpets through normal abrasion, not crushing or flattening of the carpet pile in any area, nor staining, soiling, fading, or change in carpet appearance, nor fiber loss due to abnormal usage of the carpets.

STAIN WARRANTY

There is no carpet which is completely stain proof. Stain resistance treatment will increase your ability to clean up stains, not prevent stains. We warrants your Solution Dyed Nylon tile carpet against stains from substances typically found in office during the ten years of warranty, provided that the carpet is properly installed and maintained indoors as per the recommendation of CRI 104 commercial installation (*installation practice, current at the time of installation*). A stain is defined as an irreversible localized color change rated less than 3.0 on the AATCC Gray scale for evaluating staining (1.0=more change; 5.0=less change).

COLORFASTNESS TO LIGHT

We warrants that Nylon tile carpets will not show a significant color change during this time as tested by AATCC Test Method 16 Option E with rating of 5 on Gray scale for color change due to normal exposure to sunlight and atmospheric contaminants. The warranty excludes color change due to direct or advanced exposure to sunlight.

WARRANTY REPLACEMENT VALUE

Like any asset, the value of your carpet also depreciates over time and with wear. Standard Carpets warrants that in the event of carpet performance failure, we will offer to repair, offer an allowance or offer a credit to cover the cost of repair or material only to the affected area. The credit will apply to new carpets of the same or equivalent quality and will be passed on to your retailer. This would also be subject to the depreciating value of the carpet set as below:

10 Years Warranty	Replacement %
First 3 Years	100%
4-5 Years	70%
6-7 Years	40%
8-9 Years	20%
10 Years	10%

LIMITATIONS
